

Special **BOOKING** and **CANCELLATION** terms of live-aboard operations
(to be read in conjunction with **General booking terms of Diversion Dive Travel**)

MICRONESIA

Special terms valid for all live-aboard vessels

ITINERARY/WEATHER

The operator will endeavour to adhere to the scheduled itinerary, but reserves the right to alter the proposed itinerary or cancel the trip in the event of extreme weather conditions. Trip itineraries are subject to change at the sole discretion of the Master of the Vessel. In the event that a trip is delayed, or cut short due to weather or medical emergency, fees will not be refunded. The operator will not be held financially responsible for an alternative trip or accommodation, any inconvenience incurred, or for adverse weather conditions or illness as a result. Trip fees will not be refunded should you be unable to board in time for the scheduled departure or be unable to complete all available dives. **The purchase of travel insurance is strongly recommended.**

EVACUATION INSURANCE

All Micronesia liveaboard operators require that guests possess valid evacuation insurance cover. This covers divers for the significant cost for evacuation from a remote area to the nearest recommended hospital or recompression chamber. The Diver Assist Network (DAN) provides both temporary 30-day and yearly membership cover.

TRAVEL INSURANCE

Travel Insurance is not compulsory, but it is vital !!

We strongly recommend all visitors to Micronesia to take out adequate travel insurance cover, or to ensure that any existing cover you may have is valid and adequate..

You really need a comprehensive policy to cover you for any unforeseen cancellation, medical, loss/damage expenses etc...

MEDICAL STATEMENT

You will be required to state that you are medically fit to dive when you board. If you have a medical history of: -Asthma –Epilepsy – Diabetes - Heart or Lung disorders - it is required that you produce a current diving medical certificate, from a diving medical specialist, stating that you are medically fit to scuba dive and you will need to verify this with us.
